

Hello and welcome to the latest newsletter from P&P Glass!

After a challenging year for everyone, there's now some light at the end of the tunnel – and we're looking forward to helping hundreds more homeowners across the South East transform their living spaces throughout 2021 and beyond.

It's already shaping up to be an incredibly exciting year for P&P – we're not only celebrating our 40th anniversary, but we're also launching our first ever Community Giveaway competition.

Best wishes,

## Plant a Tree with P&P

At P&P, we're **passionate about the planet.**

Our spectacular range of timber casement, sliding sash and flush sash windows already offers stylish aesthetics, minimal maintenance and a lifetime of outstanding performance – and now, they're more sustainable than ever.

That's because we've begun making regular donations to support the amazing work done by the Woodland Trust, that will help them plant hundreds of trees!

## MD Tom to take on the London Marathon

Later this year, our Managing Director Tom will be running the London Marathon for the fantastic Marie Curie, the UK's leading end of life charity.

He'd been due to take on the 26.2-mile challenge last year, before the event was cancelled. He went on to run the same distance in Surrey instead!

This year, he's asking for your support to help him raise as much money as possible for an outstanding charity that helps thousands of people around the country.

If you'd like to **sponsor him**, please go to [uk.virginmoneygiving.com](https://uk.virginmoneygiving.com) and search 'Tom Scanlan'.

## HELP US GIVE BACK

### Introducing the P&P Community Giveaway!

This summer, we're asking people throughout the region to nominate organisations who do fantastic work, but have premises that might need a bit of TLC.

This could be a charity that supports the elderly or sufferers of serious illnesses, a theatre that's provided decades of entertainment to the community, or a sports club that's offered local children the opportunity to keep fit, have fun and build their confidence.

We'll choose a winner, then go on to donate and fit windows, doors or other glazing products with an installation value of **£10,000**.

To enter, all you have to do is go to [www.pandpglass.co.uk/communitygiveaway](http://www.pandpglass.co.uk/communitygiveaway) and nominate the organisation of your choice!

### Forty Years Young

Forty years ago this year, a Surrey couple called Peter and Pat started a tiny double glazing business to serve customers across the county – this was named P&P Glass.

They made a great start – building a reputation for quality, reliability, friendly and helpful service.

A few years later it was bought by Ulrich Stahl Schmidt, who had big ambitions for the little Surrey firm.

Soon joined by Managing Director Tom Scanlan, the pair built it into the hugely respected home improvement business it is today.

"I want to take this opportunity to thank everyone who's worked with us or bought from us over the last forty years."

### Penthouse Challenge 'Highly Commended'

We're absolutely delighted that a P&P project was Highly Commended at the GGP Installer Awards!

We used a specialist crane to install some sleek, stylish Sunflex patio doors in a central London penthouse.

GGP is one of the glazing sector's most respected trade publications, and the awards seek to recognise the very best that the UK's 14,000 window installers have to offer!

#### Let Sunflex light up your life

- Extremely weather resistant
- Ultra-slim frames
- Available in any RAL colour
